Section 2 – <u>Meeting Procedure</u>

As it pertains to addressing funding requests, the chair will follow the prescribed sequence of procedures when conducting meetings:

- A. In the order shown on the posted agenda, the chair will call for an approved club/organization member in the audience to present the subsequent funding request. Conference calls are allowed but discouraged. The chair will be granted the same power shown in <u>Section 5.1.4</u>, of the Funding Policy Policy 204.
- B. In the instance a club/organization representative is tardy; the funding request will be skipped and tabled until the representative is present.
- C. A presentation will then be made by the club/organization representative about the club and event.
- D. Committee members will then be allowed to ask any desired questions to the representative, who will be allowed to answer. For the sake of expediency, the chair will be tasked with the duty of determining and discouraging irrelevant questions.
- E. Once questioning and answering is over, the chair will call for a motion to be made following Article IV, Section 1, of this policy. The motion must contain the club/organization name, the event name, and the dollar amount being requested.
- F. Once a motion is offered and seconded, there will be a discussion by the committee members on the motion and funding request, whereby amendments can be made.
- G. Once discussion is over, a vote will be taken by the committee. Funding request motions shall be approved by a majority vote.
- H. If a club/organization representative is not present, neither in person nor in conference call, the subsequent funding request shall not be addressed by the committee at the time.
