- Anson: I am here to speak on behalf of Cristian Flores and I want to say that he will make a great VPAG being that he currently serves as a senator and it is his second time doing so. We need someone with experience. I also want to include my fellow senator Jeovanna Lopez’s statement regarding in support of Cristian. “Hello everyone, my name is Jeovanna and I want to show my support for Cristian. He will be a great VPAG given his experience in ASI and as well as his current projects”.
- Tyler: ASI will begin to fund event registrations for clubs. Please spread the word.
- Kyle: I would like to speak in support of Cristian. He will be a great VPAG and will be great in leading the team.

ii. ASI Executive Positions

- Cristian Flores
- Jocelyn Vargas

- Diana: Candidates you have two minutes to present why you are the best fit for this position. Please look at Ryan for guidance in time.
- Cristian: I have been working as a graduate academic senator for two consecutive years and have been advocating for quite a while now. I advocated in my own community through LGBTQ rights and foster rights. I believe I will be a great leader as you can tell by fellow senators whom have full faith in me. I also have great relationships with administrations and faculty.
- Jocelyn: Hi everyone, I am a graduate student for the program over at the school of Social Work. I served previously for 3 years as a College Representative for the Health and Human Services. I also served as Chair for the Cabinet of College Representatives for a year. I advocated for students and attended CHESS and CSSA meetings constantly. I also co-authored the CAPS resolution with Diana and two other students. I will communicate with orgs and get them involve.

- Diana: Any BOD members who would like to ask a question?
- Brajohn: What was a mistake you made in your leadership role and what did you do?
- Cristian: One of the largest lessons I've learn on my mistakes is to go back and learn from it as well as not be too harsh on myself. Take opportunities to consider their feelings and experiences and go out of my ways to implement those thoughts.
- Jocelyn: My first year in ASI I was not vocal and take the answers as it is. I've learned to speak up and be vocal because we represent the student body and they rely on us.
- Anna: Any specific plans or goals if appointed as VPAG?
- Cristian: I've been working on Open Deliberation and taking imitative to ensure there is cohesion and that it is successful.
- Jocelyn: I will want to revamp open deliberation differently and have a bigger turnout than last year. Also, I will work hard to get students on university-wide committees being that we need voices in those committees.
- Ledi: Why do you want this position?
- Cristian: I love the advocacy aspect that comes with VPAG and it is not something I just want to add on my resume. I want to build off the strengths of senators and help them successfully play their role.
- Jocelyn: It is about empowering student voices and pass resolutions that help promote student's wellness. It is all about representing students as a whole.
- Moved to Discussion:
- Diana: This is one of the hardest decisions I ever had to make. I give my recommendation to Jocelyn Vargas. Jocelyn is a very strong and vocal, humble in her achievements, and very dedicated to serving students.
- Ledi: I favor Jocelyn because of her advocacy with mental health and serving students. Jocelyn reached out to me on how she can serve students even when she was not in ASI. She is a true advocate.
- Brajohn: Can you (Diana & Ledi) give me a strength and weakness from both candidates?
- Diana: Cristian's strength is that the work ethic is there 100%. One weakness is that at times he can speak on behalf of himself instead of students. One strength that Jocelyn has is that she challenges policies and administrators and does not take no for answer. One weakness is her lack of experience in the academic governance area.
- Ledi: Both are very qualified both Jocelyn is what we need currently.
- Analiz: Jocelyn is very new to the academic governance area and may need to learn policies and procedures, but I feel as she will do great.
