What previous experience have you had in the area in which you are applying for?

In terms of serving on student government, I am currently serving as a CCOE college representative, a member of the Legislative Affairs committee, and have served as a member of the Education Policy committee before. As such, I am highly passionate about serving students as well as the campus itself.

State briefly why are you are applying and/or are interested in this position

As an environmentally-conscious person, I think that sitting on this committee would be a great experience in learning about the environment as well as taking part in moving the campus towards zero waste.

What do you feel are some of the major problems facing the students of Cal State LA?

One of the most significant problems that I believe the students of Cal State LA face is timely graduation. Unfortunately, a good portion of the student population at Cal State LA do not graduate within four years. This can result from personal circumstances such as work, family, children, availability of classes, and so forth. As a result, many student encounter the 120% rule, which does not allow them to receive financial aid to supplement paying for their studies. This is a hard and detrimental blow on students, especially those who come from lower socioeconomic communities.

List activities and/or organizations that you have been involved with (on or off campus)

1. Honors College student (August 2018 - present)
2. ASI Education Policy Committee Undergraduate Representative (March 2019 - May 2019)
3. Contributor for the John F. Kennedy Memorial Library Public History and Archives Project [Mervyn Dymally Exhibition] (September 2019 - November 2019)
