What previous experience have you had in the area in which you are applying for?

I have served on the EPC for one semester now. I have been involved with creating and planning events for the EPC. Throughout high school, I was a board member for the drama club before becoming the president my senior year. In this position, we organized events as well as distributing the funds throughout club meeting, annual club banquets and theatrical productions. Now, I am on the board for the edible garden club where

State briefly why are you are applying and/or are interested in this position

I am interested in this position because I plan to go into the field of environmental sciences. I am planning on getting my masters from Cal State LA in environmental science following my bachelors in natural science to advance my ability to make an impact on the planet. I am not sure of what field I want to go into yet but I am considering policy work to help localities make sustainable changes in communities I serve. The EPC would be extremely similar to this as I have to work with a number of people to get something in place and we have the potential to pass legislation for the campus to work toward sustainability.

What do you feel are some of the major problems facing the students of Cal State LA?

In terms of the EPC and the students of Cal State LA, I feel and have seen that many students care and are concerned about climate change. If I were to be the environmental affairs commissioner, I would consider and introduce legislation that we can adopt to make Cal State LA more sustainable. For example, last semester the EPC was working to get more trees planted on campus which not only promote mental health, they also promote public health. Another piece of legislation I would like to consider introducing would be to divest from fossil fuel companies and prevent any further investment into these companies.

List activities and/or organizations that you have been involved with (on or off campus)

-VMHS Drama Club (2016-2019): Historian, Secretary, President

-CSULA Edible Garden Club (2021): Board Member
