

JUDICIAL REVIEW COMMITTEE HEARING REQUEST FORM

Form Number: _____

Date Filed: 04/27/2021

Plaintiff: Denis Akbari Afkhami

Defendant: Diana Chavez

The alleged violation took place on:

Date: 04/26/2021 Time: 2.00pm

Place: Facebook. Cal State LA Book Exchange group

Name of Code and Section which was allegedly violated (i.e. Elections Committee Code, etc):
Elections Committee Code, Article IV Campaigning, Section 8 - Clause 2 - Responsibility for Actions

Please, briefly and accurately describe the alleged complaint:

I have made a campaigning post in this facebook group where I was introducing myself and stating what I would bring to the role of ASI President if elected. Cristian Flores left comments full of hate in which he was slandering and attacking me under my own post. In these comments not only he was bullying me but he was also promoting the other candidate running for president, Diana Chavez. When this happened, he was still under The Golden Eagle Movement slate which Diana Chavez is a part of. Diana instead of asking her supporter Cristian Flores to take the comments down, she encouraged the comments by making an ironic comment after seeing the comments Cristian Flores has made. She was aware of these comments and she did not do anything about it, but instead she encouraged them even more. I will attach here screenshot where Diana and I are texting and she states "I wasn't aware of the comments" and right after I say "I have proof of you commenting", she states "I was only aware of the first few comments". However, these first few comments are the ones in which I was attacked the most. It was her responsibility to take action right away, instead of encouraging this and making it a conflict of interest since she is running for President as well.

(Please use reverse side if needed for any additional clarification) **THIS KIND OF BEHAVIOR CANNOT BE ENCOURAGE FROM SOMEONE THAT HAS SUCH A LEADERSHIP POSITION.**

I understand that the Judicial Review Committee will decide whether or not to hold a hearing based solely on the written Hearing Request Form. I hereby request that the Judicial Review Committee investigate my complaint/concern and take whatever actions is appropriate under the provision of the Judicial Review Committee Code.
