**State briefly why are you are applying and/or are interested in this position**

I am really excited to continue learning in the position as VPEAA I believe that what i learned the previous years has really empowered me to keep empowering student voices and giving back to CSULA community. I am ready to be more engaged in legislation and learn more about effective advocacy.

**What do you feel are some of the major problems facing the students of Cal State LA?**

I believe there is still a great lack of communication and transparency from administration to students, even on policy and legislation mandated by state and federal funding to give back to our students. Pressing issues currently have to do with funding our basic resources and expanding our access to basic resources such as food pantry.
