**What previous experience have you had in the area in which you are applying for?**

I was the previous Vice President of Finance at ASI CSULA last semester giving me a true feel for what this position requires. I am also a CSULA graduate of the business administration department specialized in Finance. Besides those two experiences I also work as a Inventory analyst/ manager where I crunch numbers and present analytics working with Excel and online softwares.

**State briefly why are you are applying and/or are interested in this position**

The reason I am applying for this position is because I love being involved on campus and helping my fellow students through advocacy in a subject I am very engaged about. Overall I love finance and anything to do with numbers so this is a perfect combination for me. I was the VP of finance during the spring 2021 semester and I would love to be able to be part of ASI for the entire year now since I am very familiar with the duties and responsibilities. This position goes hand on hand with my degree as well as my masters program so I would love to build and gain experience as much as I can in my field.

**What do you feel are some of the major problems facing the students of Cal State LA?**

Some of the major problems our students face on campus are basic needs. Many student need support when it comes to housing and attaining food programs to have an efficient academic year. Some of the other issues students face are recourses such as computers and internet. Coming off a pandemic students will need the proper recourses for support and to transition back into in person classes. Another problem facing students at CSULA is funding for clubs and orgs and departments so that students can grow and get involved on campus.

**List activities and/or organizations that you have been involved with (on or off campus)**

I have been an employee at the University Student Union (2018-2021)  
 I have been a part of Hermanos Unidos (2016-2017)  
 I have been a part of Phi Sigma Kappa (2017-2021)  
 I have been a part of the special Olympics team assisting student in the community (2018-2020)
