State briefly why are you are applying and/or are interested in this position

I am interested in furthering students education on environmental issues, starting engaging conversations about the city, state and universities roles in fighting climate change, and making Cal State LA more sustainable itself.

What do you feel are some of the major problems facing the students of Cal State LA?

I feel that food insecurity is a huge problem at Cal State LA and that is why I have been working so close with the edible garden club last semester. I also would like to work toward food recovery for restaurants on campus as to address food insecurity in the surrounding community and to reduce food waste.

List activities and/or organizations that you have been involved with (on or off campus)

I volunteer at a community garden in Murrieta, CA, my hometown. I also will be a resident assistant in the Fall.
