declared a major in that College?**What previous experience have you had in the area in which you are applying for?**

In undergrad, I was the Vice President of Government Affairs where I was charged with representing the student body at the Arizona Board of Regents meetings. I oversaw a team of Student State Affairs board, who were charged with educating the student body about all laws and legislation that applied to students, which included local, state, and federal levels. I oversaw seven awareness weeks during my term as VPGA. Which is all similar to the job of the VPAG here at CSU LA. I was also the executive director of two other organizations while being a peer mentor for first-generation college students/

State briefly why are you are applying and/or are interested in this position

I am interested in the position of VP AG because of my passion for advocating for various communities. I have overseen multiple organizations and have experience partnering with other groups and organizations outside the LA community. I am also aware of how ASI works as an organization, as I am currently the Diversity and Inclusion Officer. I believe this position is vital for ASI, and I wanted to step up to the challenge and represent student voices in an even larger manner through ASI.

What do you feel are some of the major problems facing the students of Cal State LA?

Some major problems Cal State LA students face are food security, housing security, inclusion and equity, and academic affairs problems. I think ASI is already addressing the food and housing security issues, but I believe continuous effort to bring forth conversations about inclusion and equity efforts at CSU LA is imperative. I would argue that the ASI body reviews the diversity and inclusion portion of the strategic plan of the university to ensure all areas of the proposal are being met after 5 years.

List activities and/or organizations that you have been involved with (on or off campus)

I am also a part of the department of sociology, International Indigenous Youth Council of LA, I Am That Girl Los Angeles, and Collegetown - which is an Anytown non-profit organization. I have also partnered with various non-profit organizations including the Trevor Project, the LGBT Center, and other groups dedicated to advocacy.

what activities, work, or clubs/organizations do you PLAN to be a part of this coming year? List any leadership roles you will hold.

I currently am the Diversity and Inclusion Officer for ASI, besides that I am currently not holding other leadership roles that would conflict with this ASI role.
