12+ years working as an independent financial advisor. I also do the finances in QuickBooks for the small business PureLife Alternative Wellness Center.

State briefly why are you are applying and/or are interested in this position

I'm new to Cal State LA, excites to engage and look forward to connecting/networking with other students and faculty.

What do you feel are some of the major problems facing the students of Cal State LA?

How disconnected students are during the Coronavirus pandemic. Students need to feel united with their cohort and teachers as leaders.

List activities and/or organizations that you have been involved with (on or off campus)

Given the situation with Covid, I haven't been able to participate in activities and/or organizations as I previously have been and look forward to changing that beginning with the fall semester at Cal State LA.

what activities, work, or clubs/organizations do you PLAN to be a part of this coming year? List any leadership roles you will hold.

I've tried to hold myself accountable to the American Red Cross during the pandemic. I'd also like to donate my time or canned goods for the less fortunate. Homelessness is a big issue especially in LA and I want to make a difference. Mauricio, my cousin in Costa Rica, gets together with friends to put together food and goods like toothbrushes and toothpaste to give to those in need. I would like to do the same here!
