What previous experience have you had in the area in which you are applying for?

I currently work in parks and rec for the city of montebello and i do have opportunities to speak directly to our community and answer any questions they may have about our city programs which include homelessness outreach , community volunteer programs as well as child care and recreational sports. Ive helped with many marketing campaigns for our programs mainly in daycare , specifically creating posters and pamphlets. Most recently i went door to door to our community elderly to ask if they'd like to receive at home covid tests which enhanced my public relations skills.

State briefly why are you are applying and/or are interested in this position

Ive always thought of myself as a peoples person and feel like i have a voice that represents all of the community. I believe i can mend any prior miscommunications or problems the student body has had with public to officials conversation. I want to make a difference and market cal state la in a positive light to make all students welcome and comfortable in their own skin.

What do you feel are some of the major problems facing the students of Cal State LA?

I believe our diversity programs need more of a push into the public eye as well as reaching out to community's diverse leaders, role models, and business owners to come speak for black history month or indigenous peoples day or just basic finances skills students may not know of. The goal is to create marketing campaigns and talk directly to the community on the ground to bring everyone together and provide knowledge of programs , cultures, sexuality and finances.

List activities and/or organizations that you have been involved with (on or off campus)

Ive been involved in MCAP which is the Montebello Community Assistance Program. This program helps get homeless off the streets by providing them with access to rehab centers and free or assistance housing as well as assistance programs to our community hurt financially by covid 19. Ive worked directly with city of montebello parks and rec to create flyers to market our summer daycare programs and recreational sports.
