Previous experience I had in the area of Student Affairs Committee I am applying to is that I used to hold officer positions in clubs during my high school years. This led me to be experienced in evaluating procedures for the club's upcoming plans. This included student engagement activities, club fundraisers, and more. I am a student and worked along with many students which allowed me to maintain knowledge about students' needs.

State briefly why are you are applying and/or are interested in this position

I am applying to this position because I am interested in the wellness of students. I want to use my knowledge to help make our campus feel more welcoming. I also want to represent many students that want change to help make our campus more friendly for students.

What do you feel are some of the major problems facing the students of Cal State LA?

Major problems students currently are facing involve not having a proper place to study, especially those that are taking online classes. Also, many students here are involved in work-study, therefore they often tend to struggle with assignments and tests. Therefore, I wish to build an environment for these students to learn without stressing and depriving themselves of sleep.

Another issue I want to address is having the campus be more inclusive for individuals of different races, religions, and cultures. For example, practicing Muslims want to stay on campus and study but often fear that they will miss their salat (prayer). Muslims pray obligatory 5 prayers and to make it more inclusive I want to build a safe space for these students to practice their religion and attend class and study.

Many students here work, study, and have a family to raise. I know some students who want to study but due to having no one to babysit their kids they often fall behind in studies and end up dropping a class or even dropping out of college. To prevent this I want to help find a solution or by proposing a space for these students to have someone babysit their kids so they can freely study and attend class without any worry.
