State briefly why are you are applying and/or are interested in this position

I am applying for this position because I want to be more involved in school especially considering my first year here was all online. I hope in this position I will get to know more about CSULA and the faculty as well as my peers.

What do you feel are some of the major problems facing the students of Cal State LA?

I think some problems the students here are facing are learning online. I know this is the second year of doing it, but some students might have a difficult time, I know I have, where out of nowhere I lose motivation to continue assignments. I also feel like connecting with our peers to a problem we face. I hope we can figure something out to connect with each other.

List activities and/or organizations that you have been involved with (on or off campus)

I have not been involved in any activities on campus or off campus. I have volunteered where I have took on the role of a leader where I give directions to my group.
