

2021-2022 ASI Expenditure
Fall 2021
Dreamers Resource Center

The Dreamers Resource Center is requesting to allocate our scholarship funds to the Spring 2022 Semester. We have assessed that we have a better outcome when our scholarship more closely follows the university scholarship process (March 1-April 12).

In order to ensure a smoother workflow with our financial aid partners, our process will take place from February 21- April 1. We look forward to assisting our students with your generous allocation.
