CLUB/ORG: American Society of Mechanical Engineers
 EVENT TITLE: ASME Mechanical Team Workshop
 DATE(S) OF EVENT: March 18, 2022 SEMESTER: SPRING
 EVENT LOCATION: Zoom
 TOTAL ATTENDANCE: 15
 EXPECTED CAL STATE LA STUDENTS ATTENDANCE: 15

PART 3 - EVENT DESCRIPTION

IS THE EVENT OPEN TO ALL CAL STATE LA STUDENTS? ☒ YES ☐ NO

BRIEFLY DESCRIBE THE EVENT:

Introducing different parts and necessary software needed to build a robot.

HOW WILL THIS PROGRAM ENHANCE THE CAL STATE LA EXPERIENCE?

This will teach several students the basic necessities for building a robot and teach them several aspects of mechanical, electrical, and software engineering. This is an overall beneficial and exciting experience.

Event Registration

Mechanical Team Workshop

Revised By: [REDACTED] 2/24/2022 7:01:59 AM - Version 3

[APPROVED]

Basic Information

Student organizations must complete and submit this form at least 10 business days prior to the event/meeting date. Reservations for on-campus events/meetings will not be confirmed unless this form has been completed.

Please select the type of organization who will be hosting this event.

Student Organization

Host Organization Name

What Organization/Department is hosting the event?
American Society of Mechanical Engineers

Event Name

Mechanical Team Workshop

Estimated Attendance

Please describe the estimated attendance of participants for this event.
15

About the event

Please describe what this event is about and include all intended activities that will take place.

In this workshop, members will learn about different types of failure theories and how they can apply them to their design analysis.

Time & Location

Events/meetings that repeat or occur on non-consecutive dates will need to be registered separately per each date, (e.g. if you plan on having a meeting on multiple days in the month). For more information on how to repeat registered events check out this [Presence guide](#)

Start Date/Time

03/18/2022 - 11:00 AM

End Date/Time

What format will this event/meeting use?

Hybrid events and meetings are defined as a mixture of in-person events/meetings with a virtual component usually running simultaneously and with overlapping content and interactive elements.

Virtual

Where will the virtual event/meeting take place?

What online platform will this event/meeting use to host the event?

Zoom

Do participants need to RSVP?

No

Event/Meeting Virtual Link and/or In-Person Location

For virtual event/meetings, please enter the link where attendees can access the event/meeting.

For in-person on-campus events/meetings please add the room information where you'll be hosting.

For in-person off-campus events/meetings please add the full address of the venue.

For hybrid events/meetings please enter both the link and the in-person location.

<https://calstatela.zoom.us/j/6806467314>

Student Organization Officer and Advisor Contact Information

Only current organization officers can submit the Event Registration Form. Submitted forms will require Advisor approval prior to CSI approval.

Contact Person

Please provide the name of the officer submitting this form.

[REDACTED]

Officer Contact Phone Number

[REDACTED]

Contact Email

Provide the officer's email address.

[REDACTED]

Organization Advisor Email

Provide the advisor's Cal State LA email address.

[REDACTED]

Organization Advisor Name

Please provide the name of the student organization advisor.

Marketing

No publicity may be distributed or posted online until this form has been submitted and approved. All publicity material must comply with University Administrative Procedures AP P003 and AP P007. For Fall 2020 only electronic or virtual forms of marketing will be approved for student organizations.

How do you plan on marketing this event?

Other

What other methods of marketing will your organization use?

Discord

Who is invited to this event?

Student organization members

Will off-campus media be notified about this event?

No

Want to learn some new skills that will help you in your field of study? Our ASME team lead will be going over some important concepts that are essential when working on robotics. The team will be hosting:

- *Mechanical Team Workshop*

March 18th, 2022
11:00 am - 12:00 pm
via Zoom
 Meeting ID: 680 646 7314
 Passcode: ASME2022

ASSOCIATED STUDENTS, INC.
THE ACTIVITIES AND PROGRAMS PRESENTED ARE NOT NECESSARILY OWNED BY ASSOCIATED STUDENTS, INC.

Event Details

Event Category

Please select any of the categories above that best describes your event. Note, for Fall 2021 organization meetings and tabling must also be registered.
 Educational Workshop/Program

Planned Activities

Will your event have any of the following activities? The University's General Release will be required for certain activities.
 Not Applicable

Will the event have security?

No

Will the event have an admission charge, registration fee, or raise any proceeds to benefit the organization

No

Will you be requesting funding from Associated Students, Incorporated?

For more information on Club and Organization Funding please visit: <https://asicalstatela.org/services/clubs-and-organizations-funding>
 Yes

For more information on Club and Organization Funding please visit: <https://asicalstatela.org/services/clubs-and-organizations-funding>.
For any other questions contact the Vice President for Finance by calling 323-343-4778.

For this event, will your organization be seeking tax deductible private external fund raising support?

Are you seeking sponsorship from private individuals or external companies/organizations off campus that may require additional tax documentation? (Individual donations that do not require tax documentation do not count.)

No

Will a movie be shown at this event?

No

Acknowledgment

Hybrid Event/Meeting Check-in Data Collection and Contact Tracing

Student organizations are **required to check-in** all Cal State LA student attendees at on-campus hybrid events/meetings held indoors via the Presence Checkpoint app at the event. This is mandatory for all student organizations hosting events/meetings in-person or with in-person components. For more information on how to use this feature and meet this requirement, students should refer to the [Presence Guide to Event Check-in](#).

Guests (anyone other than a Cal State LA Student) at indoor hybrid events/meetings **cannot check-in through the Presence Checkpoint app and are required to check-in** through the [Cal State LA Student organization Event Guest Check-in Form](#). Guests must successfully complete the [COVID19 Health Self-Screening](#) prior to entering an event.

Participant and/or guests data collection for outdoor events is not required for attendees but is required for student event coordinators (including students who table for the organization and who will be present throughout the duration of the outdoor event/meeting) through the Presence Checkpoint app.

Attendance recordkeeping must be updated within 24 hours of the conclusion of the meeting or event.

Failure to check-in all event/meeting attendees can result in the student organization's revocation in their ability to host events and can ultimately affect their student organization recognition and the benefits associated with that status.

AS AN OFFICER OF THIS ORGANIZATION, I WILL TAKE RESPONSIBILITY TO ENSURE THAT THE EVENT WHICH MY ORGANIZATION IS SPONSORING WILL FOLLOW ALL GUIDELINES SET FORTH BY THE UNIVERSITY. I ACKNOWLEDGE THAT THIS EVENT AND ANY ASSOCIATED EVENT SPACE RESERVATIONS MAY BE SUBJECT TO CANCELLATION BASED ON MY ORGANIZATION'S RECOGNITION STATUS.

- Sense the magnetic fields that surround us
- based this breakout on ST's LIS3MDL
- This sensor can sense ranges from +-4 gauss (+- 400 uTesla) up to +-16 gauss (+- 1600 uT or 1.6 mT)
- For ultra high precision, 155 Hz update rate is recommended - but if you don't mind a little loss of precision, the sensor can output at 1000 Hz.
