## Event Registration

### RoboSubLA Electronics Build Workshop

Submitted By: [REDACTED] on 2/12/2023 9:41:10 PM

[APPROVED]

## Basic Information

Student organizations must complete and submit this form at least 10 business days prior to the event/meeting date. Reservations for on-campus events/meetings will not be confirmed unless this form has been completed.

Please select the type of organization who will be hosting this event.

Student Organization

## Host Organization Name

What Organization/Department is hosting the event?

Autonomous Underwater Vehicle

## Event Name

RoboSubLA Electronics Build Workshop

## Estimated Attendance

Please describe the estimated attendance of participants for this event.

20

## About the event

Please describe what this event is about and include all intended activities that will take place.

RoboSubLA will be holding our first semester workshop/build day with our Electronics sub-team. We will be teaching members & prospective members about soldering, surface mount assembly, and testing methods used in our board testing as well as the industry. Attendees will get a short instruction covering soldering safety & general lab space rules, and then hands-on experience with the aforementioned subject areas.

## Time & Location

Submitting this form DOES NOT reserve the space. Please visit the resources at the bottom of this form to submit the appropriate reservation request.

Events/meetings that repeat or occur on non-consecutive dates will need to be registered separately per each date, (e.g. if you plan on having a meeting on multiple days in the month). For more information on how to repeat registered events check out this [Presence guide](#)

## Start Date/Time

03/03/2023 - 1:00 PM

## End Date/Time

03/03/2023 - 4:00 PM

## What format will this event/meeting use?

Hybrid events and meetings are defined as a mixture of in-person events/meetings with a virtual component usually running simultaneously and with overlapping content and interactive elements.

In-Person

## Do participants need to RSVP?

No

## On Campus Locations

Classroom Space

## Where will your in-person event/meeting take place?

On-Campus

## Event/Meeting Virtual Link and/or In-Person Location

For virtual event/meetings, please enter the link where attendees can access the event/meeting.

For in-person on-campus events/meetings please add the room information where you'll be hosting.

For in-person off-campus events/meetings please add the full address of the venue.

For hybrid events/meetings please enter both the link and the in-person location.

ET C-153

## Student Organization Officer and Advisor Contact Information

Only current organization officers can submit the Event Registration Form. Submitted forms will require Advisor approval prior to CSI approval.

## Contact Person

Please provide the name of the officer submitting this form.

[REDACTED]

## Officer Contact Phone Number

[REDACTED]

## Contact Email

Provide the officer's email address.

[REDACTED]

## Organization Advisor Email

Provide the advisor's Cal State LA email address.

[REDACTED]

## Organization Advisor Name

Please provide the name of the student organization advisor.

[REDACTED]

### Marketing

No publicity may be distributed or posted online until this form has been submitted and approved. All publicity material must comply with University Administrative Procedures AP P003 and AP P007. For Fall 2020 only electronic or virtual forms of marketing will be approved for student organizations.

## How do you plan on marketing this event?

Social Media

### Social Media Site

Twitter

### Social Media Handle

AUVCalStateLA

### Marketing Media Upload\*

If you plan on marketing this event with media, please upload a copy for review.

[3237674b-da0d-4c03-9f80-73fbe4e5ecb1.png](#)

## Who is invited to this event?

Cal State LA Community

## Will off-campus media be notified about this event?

No

### Tags

Please select an image that corresponds to your event.

# ROBOSUBLA is having an ELECTRONICS BUILD DAY

We are holding an educational workshop/build day event as we settle into build season. Join us @ 1:00-4:00 PM, Friday, March 3rd in **ET C153** to gain hands-on skills with circuit manufacturing & testing. All majors and skill levels welcome!

## Event Details

## Event Category

Please select any of the categories above that best describes your event. Note, for Fall 2022 organization meetings and tabling must also be registered.  
Educational Workshop/Program

## Planned Activities

Will your event have any of the following activities? The University's General Release will be required for certain activities.  
Not Applicable

## Will the event have security?

No

## Will food be served at the event?

Food may be served at indoor and outdoor events, so long as the appropriate approval is received via the Temporary Food Permit.  
No

## Will the event have an admission charge, registration? fee, or raise any proceeds to benefit the organization

No

## Will you be requesting funding from Associated Students, Incorporated?

For more information on Club and Organization Funding please visit: <https://asicalstatela.org/services/clubs-and-organizations-funding>  
Yes

For more information on Club and Organization Funding please visit: <https://asicalstatela.org/services/clubs-and-organizations-funding>.  
For any other questions contact the Vice President for Finance by calling 323-343-4778.

## For this event, will your organization be seeking tax deductible private external fund raising support?

Are you seeking sponsorship from private individuals or external companies/organizations off campus that may require additional tax documentation? (Individual donations that do not require tax documentation do not count.)  
No

## Will a movie be shown at this event?

Student organizations must purchase the viewing rights or obtain permission from the owner of the movie in order to show movies at student organization events.  
No

## Acknowledgment

### Hybrid Event/Meeting Check-in Data Collection and Contact Tracing

Student organizations are **required to check-in** all Cal State LA student attendees at on-campus hybrid events/meetings held indoors via the Presence Checkpoint app at the event. This is mandatory for all student organizations hosting events/meetings in-person or with in-person components. For more information on how to use this feature and meet this requirement, students should refer to the [Presence Guide to Event Check-in](#).

Guests (anyone other than a Cal State LA Student) at indoor hybrid events/meetings **cannot check-in through the Presence Checkpoint app and are required to check-in** through the [Cal State LA Student organization Event Guest Check-in Form](#). Guests must successfully complete the [COVID19 Health Self-Screening](#) prior to entering an event.

Participant and/or guests data collection for outdoor events is not required for attendees but is required for student event coordinators (including students who table for the organization and who will be present throughout the duration of the outdoor event/meeting) through the Presence Checkpoint app.

Attendance recordkeeping must be updated within 24 hours of the conclusion of the meeting or event.

**Failure to check-in all event/meeting attendees can result in the student organization's revocation in their ability to host events and can ultimately affect their student organization recognition and the benefits associated with that status.**

AS AN OFFICER OF THIS ORGANIZATION, I WILL TAKE RESPONSIBILITY TO ENSURE THAT THE EVENT WHICH MY ORGANIZATION IS SPONSORING WILL FOLLOW ALL GUIDELINES SET FORTH BY THE UNIVERSITY. I ACKNOWLEDGE THAT THIS EVENT AND ANY ASSOCIATED EVENT SPACE RESERVATIONS MAY BE SUBJECT TO CANCELLATION BASED ON MY ORGANIZATION'S RECOGNITION STATUS.

Signature Pad Field

A handwritten signature in black ink, appearing to be 'J. Martinez', written on a signature pad.

**Scroll up to submit this form.**

## Event Guidelines & Resources

### Student Organization Event Guidelines

#### 2022- 2023 Event Registration Procedures

The following guidelines are provided for the benefit of the student organization. They are intended to be followed completely. Failure to comply with any of the following guidelines may result in disciplinary action taken against the organization including suspension of recognition, events and use of facilities. More information can be found online in the [Student Organization Handbook](#).

In compliance with [University](#) guidelines, Cal State LA student organization events and meetings for Fall and Spring Semesters 2022-2023 **can be held in virtual, in-person, or hybrid modes**. This applies to the following types of previously held events and activities including but not limited to:

- Meetings
- Tabling
- Social events
- Recruitment events
- New membership intake events and processes
- Information tabling or organizational promotions
- Community service or philanthropic events
- Organization meetings (both officer meetings and general body meetings)
- Workshops, trainings, and speaker events
- Conference, conventions, and retreats

**Failure to comply with these student organization procedures and requirements could ultimately result in your organization's loss of University recognition and the benefits associated with that status for the remainder of the 2022-**

**VN-100 SMD IMU/AHRS**

**\$ 600.00**

**DESCRIPTION**

The VN-100 SMD is a miniature high performance Inertial Measurement Unit (IMU) and Attitude Heading Reference System (AHRS). Incorporating the latest MEMS sensor technology, the VN-100 combines 3-axis accelerometers, 3-axis gyros, and 3-axis magnetic sensors as well as a 32-bit processor into a lightweight robust aluminum enclosure. Fully calibrated sensor housed by a lightweight, robust aluminum enclosure Advanced Vector Processing Engine (VPE) firmware Downloadable support software Optional USB and serial cables (power via USB)

**CALIBRATION TYPE**

- ☐ Thermal Calibration @ -40°C to 85°C.  
☒ Standard Calibration @ 25°C.

- Reduce Residue on Tip: Weller's Soldering Brass Sponge effectively remove residual solder from your soldering tools without damaging your tips.
- Prevent Tip Cool Down: Maintain tip temperature when compared to cellulose sponges, improving the productivity and quality of solder joints.
- Easy to Use: Remove solder residue quickly and easily by simply inserting your soldering tip into the center of the Brass Sponge Tip Cleaner during and after use.
- Anti-Slip: Increase your tool safety and stability with slip-resistant silicone holder.

Digi-Key Part Number	455-2247-ND
Manufacturer	JST Sales America Inc.
Manufacturer Product Number	B2B-XH-A(LF)(SN)
Description	CONN HEADER VERT 2POS 2.5MM
Manufacturer Standard Lead Time	42 Weeks
Detailed Description	Connector Header Through Hole 2 position 0.098" (2.50mm)
Customer Reference	Customer Reference
Datasheet	Datasheet

ERJ-3EKF1583V

Digi-Key Part Number	P158KHTR-ND - Tape & Reel (TR) P158KHCT-ND - Cut Tape (CT) P158KHDKR-ND - Digi-Reel®
Manufacturer	Panasonic Electronic Components
Manufacturer Product Number	ERJ-3EKF1583V
Description	RES SMD 158K OHM 1% 1/10W 0603
Manufacturer Standard Lead Time	21 Weeks
Detailed Description	158 kOhms ±1% 0.1W, 1/10W Chip Resistor 0603 (1608 Metric) Automotive AEC-Q200 Thick Film

# ROBOSUBLA is having an **ELECTRONICS BUILD DAY**

We are holding an educational workshop/build day event as we settle into build season. Join us @ 1:00-4:00 PM, Friday, March 3rd in **ET C153** to gain hands-on skills with circuit manufacturing & testing. All majors and skill levels welcome!
