Hybrid Event/Meeting Check-in Data Collection and Contact Tracing

Student organizations are **required to check-in** all Cal State LA student attendees at on-campus hybrid events/meetings held indoors via the Presence Checkpoint app at the event. This is mandatory for all student organizations hosting events/meetings in-person or with in-person components. For more information on how to use this feature and meet this requirement, students should refer to the Presence Guide to Event Check-in. (<http://learn.presence.io/en/articles/5337248-student-s-guide-to-event-check-in-attendee-management>)

Guests (anyone other than a Cal State LA Student) at indoor hybrid events/meetings **cannot check-in through the Presence Checkpoint app and are required to check-in** through the Cal State LA Student organization Event Guest Check-in Form (<https://forms.office.com/Pages/ResponsePage.aspx?id=AiCKzo9EWE-Csdhvc-Ov3dazcsxYrEIsazt2xyatLJUM1JZQ0U1Vlg5MktHROyWUEJKT05SNkc1MS4u>). Guests must successfully complete the COVID19 Health Self-Screening (<https://www.calstatela.edu/healthwatch/health-self-screening>) prior to entering an event.

Participant and/ or guests data collection for outdoor events is not required for attendees but is required for student event coordinators (including students who table for the organization and who will be present throughout the duration of the outdoor event/meeting) through the Presence Checkpoint app.

Attendance recordkeeping must be updated within 24 hours of the conclusion of the meeting or event.

Failure to check-in all event/meeting attendees can result in the student organization's revocation in their ability to host events and can ultimately affect their student organization recognition and the benefits associated with that status.

AS AN OFFICER OF THIS ORGANIZATION, I WILL TAKE RESPONSIBILITY TO ENSURE THAT THE EVENT WHICH MY ORGANIZATION IS SPONSORING WILL FOLLOW ALL GUIDELINES SET FORTH BY THE UNIVERSITY. I ACKNOWLEDGE THAT THIS EVENT AND ANY ASSOCIATED EVENT SPACE RESERVATIONS MAY BE SUBJECT TO CANCELLATION BASED ON MY ORGANIZATION'S RECOGNITION STATUS.

Student Organization Event Guidelines

2022- 2023 Event Registration Procedures

The following guidelines are provided for the benefit of the student organization. They are intended to be followed completely. Failure to comply with any of the following guidelines may result in disciplinary action taken against the organization including suspension of recognition, events and use of facilities. More information can be found online in the Student Organization Handbook (<http://www.calstatela.edu/student-services/student-organization-handbook>).

In compliance with University (<http://www.calstatela.edu/healthwatch>) guidelines, Cal State LA student organization events and meetings for Fall and Spring Semesters 2022-2023 can be held in virtual, in-person, or hybrid modes. This applies to the following types of previously held events and activities including but not limited to:

- Meetings
- Tabling
- Social events
- Recruitment events
- New membership intake events and processes
- Information tabling or organizational promotions
- Community service or philanthropic events
- Organization meetings (both officer meetings and general body meetings)
- Workshops, trainings, and speaker events
- Conference, conventions, and retreats

Failure to comply with these student organization procedures and requirements could ultimately result in your organization's loss of University recognition and the benefits associated with that status for the remainder of the 2022-2023 Academic Year to be reviewed for Fall 2023. Furthermore, confirmed student organization procedure violations, including but not limited to event registration, may ultimately lead to individual student conduct proceedings.

Conduct: The organization assumes full responsibility for the conduct of participants at the event. Any violation of University policy may subject the participants and/or the organization to disciplinary action by the Center for Student Involvement or the Office of the Dean of Students. (<http://www.calstatela.edu/studentconduct>)

General Release Waiver Forms: If your event will require the use of general release waivers prior to organization member and guest participation, your organization is required to comply with all instructions provided by CSI, including submitting all completed forms and requested documents.

The following guidelines and procedures apply to in-person events, will not be approved for Fall 2022 and are provided for reference:

Alcohol: In accordance with Administrative Procedure 019 - Alcoholic Beverages

(<http://www.calstatela.edu/sites/default/files/groups/Administration%20and%20Finance/019/ap019.pdf>), any event (on or off campus) that involves the consumption of alcoholic beverages requires authorization from the University. Your organization must complete and submit a Request to Serve Alcoholic Beverages form (http://www.calstatela.edu/sites/default/files/groups/Administration%20and%20Finance/019/ap019_app8_1.pdf) in addition to this Event Registration Form. Please allow at least 3 weeks for this form to be reviewed by the University. Approved alcohol consumption events and events held where alcohol is available (but will not be consumed) require at least two TiPS certified members and two Sexual Violence Prevention & Resources Trained (SVPT) members to be in attendance of the entire event. Additional guidelines can be found in the Student Organization Handbook. (<http://www.calstatela.edu/student-services/events-food-alcohol-and-campus-venues-alcohol>)
