## II. Public Forum

- a. This time is allotted to address the Board regarding items not included on the meeting agenda. Because of our full agenda today, we will be limiting public comment to 20 minutes. The Chair may choose to limit speaking limit times.
- Andres is a student and teacher and wants to bring issues and concerns to his organization. He talks about the graduation in the parking lot, meaning less parking and water being off at housing, and problems happening on and off campus. Asks a question about the next BOD meeting.

## III. Informational Items

- a. Updates about the University Library—Dean Carlos Rodriguez (Time-Specific at 4:45pm)
- Dean: Introduces himself and what he has accomplished at Cal State LA such as continuing renovations and other changes regarding physical spaces and other future collaborations. He also explains the library's resources and services that are available to students, as well as data science programs. Further introduces the variety of exhibits that are on display currently. He explains that more technological resources will be available, which is their primary focus right now. Additionally, the library is licensing many e-books, so that students don't have to spend too much on required readings for their classes. The library is hoping for ASI to promote their services.
  - Andrew: Explains that ASI also a textbook scholarship program. He also asks what the impact is on the students?
  - Dean: Explains that the funds are granted by the Chancellor's Office, and they will be able to support many students with the scholarships. The e-books will provide support to 10 courses in the fall and the spring, as of now.
  - Cindy: Does the licensing not permit a lot of students to use a PDF at the same time?
  - Dean: Explains that they are fees for each license they purchase, which is why the library is working on obtaining more licenses.
  - Justin: Asks if the library accepts donations for textbooks.
  - Dean: explains they do accept textbooks and books, depending if faculty is still using that edition.
  - Yahir: Asks if there is a student committee in order to get feedback on the library's renovations, and new technology.
  - Dean: Explains that the library does have multiple committees, but as of now, no undergraduate students sit on the committees which is what they are trying to do now.
  - John: Expresses his concerns.
  - Amalvin: Expresses his concerns regarding a safe transition of costs with keep student education in mind is important.
  - Dean: Expresses reassurance about the transition and the important of student input.
  - Andrew: Asks about the process.
  - Dean: shares the steps in the process and requirements needed by faculty.
