 RE: Purchase of iMac

I am requesting a funding increase of \$4,000 to the existing accepted funding request involving the purchase of an Apple Mac Pro. After further reviewing our existing computer systems in the ASI Office – Studio 47 Graphics, we noticed that there’s a second iMac that Apple no longer supports; hence, we cannot fulfill the Campus ITS requirement of covering it with Apple Care. After assessing the current iMacs out in the market, we noticed that an increase of \$4,000 could get two Macs instead of one, allowing us to expand the capabilities of the graphics department. By replacing these two Macs, two out of the five computers in the department will have an updated chipset supported by Apple and fulfill the campus requirement to have Apple Care. Please find the administration’s proposal below, which details the expenses.

New Request - 2 Mac’s with Monitors		Previous Request – 1 Mac, 1 Monitor	
\$13,138	2 x Mac’s Purchase	\$11,279.00	1 Mac Purchase
\$4,398	2 x Studio Display	\$2,199.00	1 Studio Display
\$1,718.74	Taxes	\$1,114.16	Taxes
\$556	Apple Care+		
\$10	Ca Recycling Fee	\$449.99	Apple Care+
-----		-----	
Total Request \$19,820.74		Total Request \$15,396.32	

We hope these figures and assessments provide all the necessary information the committee needs to decide in favor of purchasing the new systems.

Thank you so much for this consideration.
