About the event

Please describe what this event is about and include all intended activities that will take place.

This will be the fourth installment where students and members will be able to work on coding projects where they make games such as Wordle and a 2D platformer. This will provide students the opportunity to create new resume worthy CS projects. People who attend will be able to improve on their coding skills and their overall knowledge will increase on game development. Students will be expected to ask questions as to what they learned about the project and continue to expand as whole.

Time & Location

Submitting this form DOES NOT reserve the space. Please visit the resources at the bottom of this form to submit the appropriate reservation request.

Events/meetings that repeat or occur on non-consecutive dates will need to be registered separately per each date, (e.g. if you plan on having a meeting on multiple days in the month). For more information on how to repeat registered events check out this Presence guide
