About the event

Please describe what this event is about and include all intended activities that will take place.

ACM Hackathon is where students are able to participate in a challenging, yet rewarding programming event. The questions will consist of Leet Code questions which will be altered to prevent participants from cheating. Participants will have the opportunity to receive Amazon Gift cards in the form of prizes for their hard work and effort. Leaders of the event will be assisting participants in case they have any issues with answering the questions.

Time & Location

Submitting this form DOES NOT reserve the space. Please visit the resources at the bottom of this form to submit the appropriate reservation request.

Events/meetings that repeat or occur on non-consecutive dates will need to be registered separately per each date, (e.g. if you plan on having a meeting on multiple days in the month). For more information on how to repeat registered events check out this Presence guide
