Event Name

ACM Spring 2024 - Code Cracking Workshop 1

Estimated Attendance

Please describe the estimated attendance of participants for this event. 30

About the event

Please describe what this event is about and include all intended activities that will take place.

Our Code Cracking workshops are essential for aspiring programmers because they provide invaluable practice in solving challenging problems similar to those found on platforms like LeetCode. These workshops offer students the opportunity to sharpen their problem-solving skills, improve their coding proficiency, and gain confidence in tackling complex coding challenges.

Time & Location

Submitting this form DOES NOT reserve the space. Please visit the resources at the bottom of this form to submit the appropriate reservation request.

Events/meetings that repeat or occur on non-consecutive dates will need to be registered separately per each date, (e.g. if you plan on having a meeting on multiple days in the month). For more information on how to repeat registered events check out this Presence guide
