Event Guidelines & Resources

Student Organization Event Guidelines

Event Registration Procedures

The following guidelines are provided for the benefit of the student organization. They are intended to be followed completely. Failure to comply with any of the following guidelines may result in disciplinary action taken against the organization including suspension of recognition, events and use of facilities. More information can be found online in the [Student Organization Handbook](#).

In compliance with [University](#) guidelines, Cal State LA student organization events and meetings **can be held in virtual, in-person, or hybrid modes**. This applies to the following types of previously held events and activities including but not limited to:

- Meetings
- Tabling
- Social events
- Recruitment events
- New membership intake events and processes
- Information tabling or organizational promotions
- Community service or philanthropic events
- Organization meetings (both officer meetings and general body meetings)
- Workshops, trainings, and speaker events
- Conferences, conventions, and retreats

Failure to comply with these student organization procedures and requirements could ultimately result in your organization's loss of University recognition and the benefits associated with that status. Furthermore, confirmed student organization procedure violations, including but not limited to event registration, may ultimately lead to individual student conduct proceedings.

Conduct: The organization assumes full responsibility for the conduct of participants at the event. Any violation of University policy may subject the participants and/or the organization to disciplinary action by the Center for Student Involvement or the [Office of the Dean of Students](#).

General Release Waiver Forms: If your event will require the use of general release waivers prior to organization member and guest participation, your organization is required to comply with all instructions provided by CSI, including submitting all completed forms and requested documents.

To Whom It May Concern,

Thank you once again for the wonderful opportunity to serve as a guest speaker for the Claw Command Cyber Club workshop on September 23, 2025. It was a distinct pleasure to connect with the members and share my insights on “Gaining 10 Years of Experience in Your First Year”.

I was incredibly impressed by the engagement and thoughtful questions from the club members. Their passion for cybersecurity is a clear reflection of the excellent community and resources that Firefly provides.

This letter is to formally acknowledge receipt of and graciously accept the honorarium provided for my participation. I am very grateful for your generosity and professional courtesy.

Thank you again for a rewarding experience. I hope we could collaborate again in the future.

Sincerely,

A handwritten signature in black ink, appearing to read 'Payton', is positioned above a horizontal blue line.
