IV. Informational Items

A. October Financials

- [Summary](#)
- [Revenue & Expense](#)

Dena: Discussed Revenue an expense for the most part ASI is doing but revenue still exceeds the expenses.

Erick: Wanted to know what the 390% in the supplies and services was for

Dena: The B&D is coming out of that because it is a service. In January's first finance meeting the budget will be updated to reflect the insurance increase. In the summary portion you can see the revenue over expense.

V. Discussion Items

A. Potential Revisions to [ASI Policy 204 - Funding Policy](#)

Arwa: There has always been problems with what a meeting infers and a specific meaning to the term "open to all" and what is the effort student organization should do to make it considered open to all.

Jeffry: Agrees with Arwa. They should differentiate between a meeting and an event or merchandise and supplies.

Ashely: Wanted to know how the process would work to change the policy.

Erick: Replied first would be this discussion then it would become an action item.

Arwa: Suggested looking at other CSU finances to gain an idea. Wanted to know the wording open to all actually mean open to all.

Erick: Believes it means everyone has the opportunity and chance to attend.

Dena: Some CSUs don't fund some things but do fully support fundraising. They also have events where all students can attend but only the target audience can do specific things.

B. Potential Revisions to [ASI Funding Price List 2025-2026](#)

Jeffry: How much ASI would fund when something is considered merchandise or compared to supplies.

Ashley: Ties into what Arwa was saying about other CSU campuses where the max out.

Erick: Believes they should fund things like a tablecloth that is aimed to grow their club more than promote it.

Jeffry: Believes they should write in the policy to inform student organizations that they have a responsibility that those materials are handed to the next year.

VI. Reports

A. Committee Members

Jocelyn: No report

Ashley: With the CEO they put a price in advance on proposals to know how much is left in their budget.
