III. Discussion

c. Election Updates: Information regarding elections

Ashley-Elections applications are closed and we will have our final list of candidates and they will be announced through the UT in mid march. Their platform information will be available as well as pictures and descriptions. Elizabeth will be reaching out to ASI members as debates are coming up in april as well as voting days, for those of you not running you can earn service hours by volunteering for these events. Look out for emails from elizabeth searching for volunteers, if you are running there will be other opportunities to volunteer. If you see anything happening that should not be happening; i.e. posting in election free zones, election discussions happening in prohibited areas please let me know because we can receive grievances from that. Election free zones are: the library, housing, cars, anywhere that is not a kiosk, the asi office unless you are in a closed door session. Now election work should be happening within our offices, that is an unfair advantage and henceforth illegal. Any questions regarding that I can answer for you.

d. Classroom Presentation Initiative

Shirali- this was an initiative we were meant to discuss last meeting regarding Kayla’s initiative to go to classes and infrom them what asi is. Right now kayla and jackie are running around to clubs and orgs to give away free stuff as well as have them fill out surveys. Intef mentioned within the SPC that we should have GET surveys done by the students.

Ashley- Can we set a deadline on that so we could knock it out?

Shirali- Yeah

Ashley- because soon it wont matter, maybe since today is the...?

Shirali- the 23rd, maybe 2 weeks of time?

Ashley- So by the next college rep. meeting have a list of favorite professors with their contact info’s to jackie
