Student Involvement and Representation Fee

Your \$2 contribution ensures that CSU students have a say on tuition, financial aid, student services, course availability, and academic advising.

Your elected student leaders oversee involvement and representation dollars through the California State Student Association (CSSA). CSSA is the official student voice at the university system, state, and federal level. In addition to supporting student representation, your contribution increases opportunities for students to acquire relevant career skills, apply for scholarships, participate in internships, and advocate on issues that are important to you.

Thank you for contributing to a stronger voice on behalf of all CSU students.
