

Funding Proposal By: Ejmin Hakobian  
Proposed Title: Dreamers Tuition Assistant Program

**Program Overview:**

Provide tuition assistant to Dreamer students that do not qualify for AB540 and AB2000 which results in them paying international fees for their education here at Cal State LA. The tuition assistant program will provide \$250 per semester to 50 Dreamer students to be utilized for their tuition or purchasing textbooks.

Total funding Request: \$25,000

**Measurable Outcomes:**

Students participating in tuition assistant program will receive much needed funding for their education because funding opportunities are limited or nonexistent for these students.

**Program Plan:**

Dreamers Center will be responsible for the successful implementation of the program and the appropriate allocation of the funds.

**Eligibility:**

Dreamer students who do not qualify for AB540 and AB2000, must have minimum of 2.0 GPA, and enrolled at least in one class (3 Semester Units).

**Assessment Method:**

Dreamers Center will conduct a research study and provide a semiannual report on funding allocation and the impact on the participating students.
