AARON CASTANEDA

ASI PRESIDENT

Welcome back to another academic year here at Cal State LA! I am extremely excited to work with everyone as your ASI President. ASI is eager to begin the year representing student interests to all our stakeholders on campus and in the community. This year, we will focus on three pillars. Our first pillar is LEAD. We want to hear from you so we can lead with a purpose. You deserve a student government that will proactively represent your concerns to the University. This brings us to our second pillar, ADVOCATE. We want to represent you in the best way possible, but just as importantly, we want to train and prepare you to effectively advocate on behalf of your own community. Finally, our last pillar is ENGAGE. In order to create real change, ASI will engage with the students of Cal State LA so we can work together as one. I commit to you that ASI will LEAD, ADVOCATE, and ENGAGE with the Cal State LA community to create a positive student experience, with the goal of dismantling all barriers that would impede your college success. ASI wants every student at Cal State LA to stay informed on the issues affecting students. We want to effectively communicate with you, and while we will introduce new avenues of communication methods, I strongly believe the most effective avenue is face-to-face interaction. Thanks to a portion of your student fees, ASI has a \$1.4 million budget. Given that ASI is run by the students, those students are responsible for allocating resources to best serve the needs of all students. ASI is excited to support and bring you continuing and new events, programs and services, as specified in the pages that follow. All of our meetings are also listed in this booklet so you can hear from, and address us, in formal spaces. Additionally, we will be hosting Town Halls and Open Forums with different topics of discussion so that, as a campus community, we can listen to and address student concerns. We are here to serve all students, and I hope I have the opportunity to talk to you about how ASI can serve your needs to the fullest extent. ASI is excited to hear from you. Good luck this semester!

UNITED STATES

CENSUS

2020

APRIL 2020

EVERYBODY COUNTS!

When the 2020 Census rolls around next year, Los Angeles County will be ready as never before to stand up and be counted. Thanks to our unprecedented partnership with the state, cities and community-based organizations, we are committed to making sure all County residents in every neighborhood and of every background have the assistance and encouragement they need to fill out their surveys. So much is depending on it-not just political representation, but billions of dollars in federal funding for programs residents here depend on for food, education, housing and health care.

YOU can help! While the Census count doesn't start until next year, NOW is the time to get informed, educated and motivated! For more information and to get involved, email: asivpeaa@calstatela.edu
