Administrative Policies

POLICY 012 – Campus Facilities and Environment Committee

ARTICLE I

AUTHORITY AND FUNCTION

This document shall act as the governing procedures for the Campus Facilities and Environment Committee (CFE) of the Associated Students of California State University, Los Angeles, Inc. (ASI). It shall be the purpose and function of the Campus Facilities and Environment Committee to:

- A. Serve as a sounding board for student concerns about campus facilities, safety, and amenities and to synthesize and share those concerns with University leadership
- B. Make recommendations for improvements to the beautification of campus (art installations, murals, etc.)
- C. Consider safety issues and relay student concerns to Public Safety and University Facilities departments
- D. Provide feedback to the University about signage, wayfinding, and methods for marketing and promoting campus departments, services, and programs.
- E. Research and develop practices that will make ASI's internal operations more environmentally sustainable.
- F. Research and propose practices that will make California State University, Los Angeles a more environmentally sustainable campus.
- G. Educate the student body on sustainability and environmentalism that may include topics such as food and nutrition sustainability, carbon emissions/footprint, reducing waste, recycling, environmental justice, and others as they relate to students and the University.
- H. Support efforts proposed by the California State Student Association that will make the California State University system more environmentally sustainable and nutritionally conscious.
- I. Propose an action plan each year for ASI, to be presented to and approved by the BOD.

ARTICLE II
